Re: **AGNEWBRUSAVICH/CAL BIKE LAW.COM** - 2017 Scholarships

Dear Friends:

It is that time of the year again. **AgnewBrusavich**, Serious Injury Attorneys (CalBikeLaw.com) is excited to announce that it is time for scholarship applications and scholarship awards for graduating high school seniors.

This will be our 24th year. We have awarded over 570 scholarships in that time period and are excited to do more.

Your club is eligible for one scholarship to be awarded to a graduating high school senior who is either a cyclist with your club or the son or daughter of a cyclist in your club.

The application is attached to this letter. Please distribute it to all interested, eligible persons.

Keep in mind that although there is no strict requirement regarding which college or school the applicant hopes to attend, preference is given to students intending to enroll in community college and hoping to take advantage of the Honors Transfer Program.

There is a possibility that more than one scholarship will be awarded to your club, but for now we promise at least one qualified applicant a scholarship this year.

Applications must be received in the office of **Agnew**Brusavich no later than Thursday, June 28, 2017.

The selection process will take place immediately thereafter and awards will be announced in early July with times and dates for the awards to be given.

We hope that you facilitate the distribution of the application to qualified students.

Best regards,

GERALD E. AGNEW, JR.
